WHAT IS SAY WHAT! ?

Say What! - Students, Adults, and Youth Working Hard Against Tobacco! has served as the official statewide youth tobacco prevention coalition since March 2011. The Say What! movement is funded by the Texas Department of State Health Services through a contract with the Texas School Safety Center at Texas State University.

Say What! members connect, learn, share, and inspire others to make a positive difference in their communities. TxSSC created TxSayWhat.com and social media accounts [@TxSayWhat](https://twitter.com/TxSayWhat) to allow groups to share their projects, search for new ideas, and expand the network of participants across Texas and beyond.
